8. Old Business	Action Items
<b>8.1 Mural:</b> Last year we approved to spend up to \$4000 on a school mural which we had hoped would include student involvement in painting it. So far we have paid \$3000 and the mural is not quite finished. We are not certain where this was left off.	Ms. Cowan will follow-up with the mural artist.
<ul> <li>8.2 Student Voice: Last school year we received a letter from a grade 7 student who was requesting for students to have input in PAC decisions. We had asked her to attend a meeting, but unfortunately she was not able to and now she has moved on to Elphinstone Secondary. Discussed options for including students in the PAC. Some ideas that were offered were: <ul> <li>ask kids to attend PAC meetings, though some felt the discussion is not always suitable for our children</li> <li>parent volunteer to run a kids advisory committee that reports to the PAC, this means we would need to find a parent to do this</li> </ul> </li> </ul>	
<ul> <li>agreed that it would be good to have accountability with the students for the money we spend, ideas for fundraisers from the kids would be good, and maybe they would help</li> <li>Suggested going around to the classrooms to ask for ideas/input, Tara volunteered to do this. All present felt this was the best option. Tracy will email questions to Tara, and then Tara can talk to the classes and present the answers at PAC meetings.</li> </ul>	Tara volunteered to talk to classes and obtain student input for PAC events; Tracy to email questions to Tara.
<b>8.3 Nut Ban:</b> Update was provided in principal's report; only division 9 is nut free this year.	
9. New Business 9.1 Hot Lunch:	
<ul> <li>Courtney and Christine provided an update on changes to the hot lunch program this year. Hot lunch will now be offered on a monthly basis for ordering (instead of quarterly). Planning to offer pizza, subs, sushi, chicken strips/Caesar salad and perogies (parent volunteers will make the perogies), plus we will be adding edamame to sushi day. All hot lunch containers are recyclable.</li> <li>We are still looking for volunteers to assist with hot lunch.</li> <li>Due to a governmental change in banking policies, Pay Pal is now considered to be an online bank. In order to continue using PayPal our account requires significant validation of identity, using personal information from our PAC members. This process would need to be repeated with changes in the PAC executive every year. Our account was shut down in June, and the decision has been made to stop using PayPal. The HotLunch online website vendor has advised that many schools are having this issue, and they strongly recommend moving to using Bambora, an online payment processing company. This would allow parents to pay for hot lunch with their credit card, and it would not require an account. Lyle is currently working to get the PAC set up with Bambora, then Christine will set it upon the hot lunch ordering system.</li> </ul>	
<b>9.2 Class Reps:</b> Karen has found some class, but is still working to finalize. She advised that she needs a list of the divisions and an email list for the classes. Discussed options and advised that each class rep should be responsible for obtaining a class list and email addresses, either from the teacher or Theresa.	
9.3 Budget Planning/Group Brainstorm:	
<ul> <li>Reviewed last year's budget amounts and discussed options for this year's budget.</li> <li>Reviewed last year's fundraisers and decided not to offer chicken for sale this year, as orders were quite low.</li> <li>We will do a raffle again this year but will offer the tickets for sale for a longer period of time, and we will also do hanging basket sales for spring/mother's day. Tamara provided details on another new fundraiser, advent calendars from a local chocolatier. All present liked the idea.</li> </ul>	
<ul> <li>Discussed the school family BBQ and decided to have it in May</li> <li>A burger and beer night was suggested but will require volunteers to organize; tabled for discussion at a later time.</li> <li>PAC Executive will prepare the draft budget and present it for approval at the October meeting.</li> </ul>	

<ul> <li>9.4 Spending Decisions:</li> <li>Motion: Lisa Patterson motioned to spend \$400 on the request Beacon, seconded by Eliina Friesen. Motion was approved.</li> <li>\$250 request for baking supplies; discussed that this is not a Suggestion was made that this could come from our breakfa Courtney will follow-up with the community schools prografunding could be used to fund the muffin baking.
