- Foundation Skills Assessment (FSAs) for gr. 4 & 7 students normally completed in November have been moved to January
- School goals continue to be:
  - Self-regulation focusing on the notion of co-regulation. Adults should also be self-regulated so can regulate with their students.
  - Literacy goal is focused on finding joyful moments for reading & writing
- Option 2 students / transition kids (families who want to take a bit more time to return to school) were
  given notice that they need to advise by November if kids are return into school. The 50 students has
  reduced to just 13 pending return, some have moved to online learning and some have already returned.
  Waiting to hear what the last 13 students will be doing.
- Working on Halloween planning, would like to do a full day of Halloween events on the Friday
- Turkey trot this year will be different, will have a scavenger hunt in each classroom and hide little turkeys for kids to find and then go to office to claim their prize

#### 6.4 School Trustee Report: Sue Girard

- September 22nd All Day Committee Meetings:
- Operations Cmt. Meeting discussion on Active Transportation in the District and the Transportation Review
  - As a Parent, I would strongly encourage you to familiarize yourself with the study which was originally done in July of 2018 by School Bus Logistics
  - o It is a bus and bell schedule revamp that will affect wait times and start and end times to the days of some schools in the District including Cedar Grove
  - If you go to the Operations Committee Board Meetings at the School Website you will find the complete report https://sd46.bc.ca
  - o Nothing has been done with it yet and there is nothing set in stone at this point.
- Education Cmt. Meeting
  - Kate Kerr spoke on various programs available in the District and much had a Mental Health and Wellness component, There has been an increase in Counselling Time provided in Elementary Schools on the Coast right now. As minutes are distributed just before the next meeting, will usually be a month behind in reporting.
  - O Patrick gave a presentation on Fine Arts. We all agreed that it was very timely and fortuitous that we were able to see Newsies last year before everything shut down due to COVID.
- Next Regular Board Meeting, Wednesday, October 14th, 2020 at 7 p.m. will be available to you on the SD46 YouTube channel. It will be up to view for 24 hours.
- Next Committee Meetings will also be available on YouTube and will be on October 27th, 2020 starting
  with Operations at 10 a.m. Then Committee of the Whole at noon and Education Cmt. Meeting which I
  chair at 2 p.m. They are always held on the 4th Tuesday of every Month.
- Policing and Public Safety and the Transportation Advisory Cmt. Meets on October 15th, 2020 (we meet
  Quarterly) January, April, July and October. Please let Sue know if you have any concerns you would like
  brought forward (with the exception of ongoing traffic concerns in front of the school). Some other
  schools are lobbying to MOTI for cross walks and lights for safety concerns.

#### 6.5 DPAC Report: Scott Davis

- Urszula attended the September DPAC meeting with Scott, DPAC happy to see some new people attending
- Encourage other parents to join in, it's a zoom call so it is easy to join
- Will be asked for opinions are larger subjects
- Langdale Elementary has been trying to get a crossing at the highway. Tried to get a grant, but were turned down as were told it should be MOTI
- Discussed that the Zoom meeting invites for DPAC are not being distributed for PACs to share prior to the meetings, so this is discouraging attendance. Scott to forward the zoom invite for next meeting, but recommended also checking the SD46 website to see if zoom links are there
- Urszula enjoyed the meeting and has volunteered to be the DPAC rep next year.

Scott to forward the zoom invite for next DPAC meeting

#### 7 Old Business Action Items

#### 7.1 Budget Planning: (Christine/June)

- Reviewed the draft budget and agreed on the following changes:
  - Include budget for Popcorn in case it starts up later in the year, agreed to add as 1/3 of last year's budgeted amounts
  - O Hot lunch will be offered less days per week in order to reduce the amount of volunteers entering the school. Decision made to decrease projected revenue to \$3000 (half)
  - Update revenue and expenses for advent calendars. The cost has increased from \$5 to \$6.50 each this year. Last year we sold for \$12, agreed to raise price to \$13.50 to cover the increase.
  - Discussed request for music instruments and possible adding as a budget item, decision made that this can come from discretionary funds if decision is made at next meeting that they will not fall under teacher wish list items
- **Motion:** Tracy Aiken motioned to approve the budget with the changes listed above. Seconded by Scott Davis and June Metz. Motion passed.

#### 7.2 PAC Calendar: (Tracy)

• Reviewed the updated PAC calendar (see attachment)

#### 8. New Business

#### 8.1 Teacher Wish List: (Tara)

- Tara reviewed the teacher wish list requests. Group discussed that the music instrument request is larger than a typical wish list request and considered whether the money for instruments could come from gaming funds. Determined that it would not qualify and discussed that it could come from the discretionary fund. All agreed.
- Motion: Christine Hardt motioned to approve all requests (listed below) from the teacher wish list budget, with the exception of the music instruments which should come from the discretionary funds budget.
   Seconded by Scott Davis. Motion passed.

#### 8.2 Hot Lunch Update: (Courtney)

- Hot lunches will re-start in October, but we will only be offering meals 2 days per week in order to reduce the number of volunteers in the school (due to Covid-19). We will off sushi on Mondays and Subway on Fridays.
- We are not able to offer milk with the meals as we cannot meet the minimum order requirements
- We will need to have earlier meal delivery this year due to the earlier and staggered meal times between the classes. Not all our vendors were able to provide meals at an earlier time.
