	The school has had 2 fire drills already.	
	Spirit day was a great success and teams were selected.	
	 Cedar Grove is a 'wild' school. This year we will be looking at Wetlands and extending opportunities for classes to be on the move. 	
	• Barry put out a calendar for this year to the staff. He is planning to do a musical which	
	will start after Christmas. It will be a kids version of Fiddler on the Roof. They are not doing it for the Christmas concert as at Christmas it is nice to see everyone perform.	
	 Working on a date for the open house, it will probably be in early October. Parents 	
	present noted that there are a lot of new teachers so they are looking forward to the	
	open house in order to meet the teachers and see the classrooms. Barry is hoping to	
	hold it on October 6 th .	
	• The school district is now sending out a parent newsletter, it is available on the SD46 website. Barry passed a copy around.	
	• Some parent education nights are coming up for parents, watch for info.	
	• Linda S. asked what changes we will see now that the new curriculum is officially in	
	place. Barry advised that we will see individual snapshots on student outcomes, and	
	new ways to communicate student learning. Our school is pretty progressive. The	
	outcomes will be based more on the Rubrix.

	McIntosh, Shannon Burtnick and Aja Plows. There was general	discussion regarding	
	possible options for the program such as selling snacks instead	of providing a lunch if we do	
	not have enough volunteers. The PAC is planning to look for ne	ew vendors and improve the	
	meals this year. Barry advised that he and the teachers have d	iscussed the hot lunch	
	program and they feel that the meals should reflect the nutrition	onal values of the nutritional	
	curriculum and not be so concerned with raising money. PAC r	nembers present explained	
	that the program is a fundraiser, and is not intended as a full m	neal program. The staff are	
	asking for veggie cups and/or salads with meals and no hot dog	gs. Parents present	
	disagreed and explained that veggie cups have been tried in the	e past and failed, as students	
	tend to throw them out. There was a lot of food waste, so PAC	s stopped providing the	
	veggies with meals and just provided the entrée. Hot dogs wer	re discussed and it was	
	agreed that they should be reduced and not offered weekly; it	was noted that offering	
	occasionally is ok as long as the hot dogs meet the nutritional g	guidelines (i.e. all beef nitrate	
	free wieners). Discussed possible options for takeout, and Chri	istine noted that she is trying	
	to contact the chef at Elphie (Barry B)

8.8	2016/2017 Calendar Planning:		
	• Christine reviewed a draft timeline for PAC events over the	e coming school year.	
	Parents should email Christine if they have any additional s	suggestions. We are trying	
	to limit the activities and fundraisers in the busy month, ar	nd spread some items into	
	the slower months.		
	• While discussing possible events, Scott Davis suggested that	at maybe we should look at a	
	project to replace the mural in the basketball court this spi	ring as the current mural is	
	old and faded. All present liked the idea and agreed to dis-	cuss it again in the new year.

Presentation to CGE PAC Meeting September 14, 2016 By Susan Goddard, PAC member

CGE PAC – Funds raised from Festive Family Fundraisers Dec 2012 & 2013

Total amount: \$2463.38 taken from CGE PAC Treasurers Report dated March 26 2014.

Preamble:

The Festive Family Fundraiser evolved from PAC discussions to rebuild the demolished primary playground. The original concept was to build a new primary playground at the front of the school while also including a covered outdoor play area for all students on rainy winter days. This project had many great ideas with the concepts evolving and changing to eventually include a dual purpose covered play area / outdoor classroom space. The last concept included traditional First Nations Cedar construction to honour the Cedar trees in the school environment.

For a number of circumstances this project has stalled, although parties are interested no one has come forward to take the lead role required to see this project through. I have personally had conversations with all the people who were directly involved and although they would be interested to assist, no one is able or willing to take on the direct leadership a project like this requires.

The PAC advertised last year for any interested parties to come forward without success. The last request was through the current parent survey that went out to all families in June of this year and again this month. As there has been no persons coming forward to take a leadership role for this project I would like to make a motion that the funds be reallocated.

In closing I would like acknowledge Christine Turner for her vision and drive to create the Festive Family Fundraisers and the many people, not just parents, who contributed to the fundraisers success. Also to Scott Davis for hours of input into creating and presenting various playground designs

Motion: That the money raised by the PAC at the Festive Family Fundraisers totalling \$2463.36, currently being set aside, be reallocated to support another capital playground enhancement for Cedar Grove Elementary. Future PAC meetings could discuss then vote on another worthy cause.

Thank You Susan Goddard
